The history of White River Junction is that of Vermont, and so much of America. To read about its rise, glory, and quieting, is to explore the dynamics of the American Century...and to set the stage for our own lives and times. You won't soon forget Dot Jones, Joe Pogar, Larry Chase and Harold Wright...

...and you won't soon forget the amazing story of how the railroad, a bakery, and the spirit of Vermont built an empire.
